

Melbourne Summer Swim Lessons 2021

Learn to Swim lessons will be offered at the Melbourne city pool this summer. Lessons will run for 8 days and will be 45 minutes in length. Lessons will run even during rain, but will be cancelled for temps lower than 70 degrees and lightning. Pool malfunctions may require a cancellation. The fee for each session is \$40 per student, including pool fee, and is non-refundable. No refunds will be given for missed days. Since we have no control over the weather, we will make every effort to make up lessons on Fridays.

Any cancellations will be announced on Melbourne Happenings Facebook page

Melbourne Pool is committed to offering a swim program that provides opportunities for youth to learn basic swimming skills in a group environment. Every effort is made to ensure the safety of all participants during the lessons. Therefore, instructors and students must follow rules pertaining to safety and instruction. Instructors may be in the water with students most of the time (lower levels) but must also be out of the water to evaluate strokes from the deck (upper levels). Free time at the end of each class is given to allow children a recreational swim.

Please contact the **Site Director** if you have any questions.
